

GREEN HOMES SUMMIT 2010

CALL FOR PRESENTATIONS

PRESENTATION FORMS DUE BY AUGUST 1, 2010

AIA Cincinnati's *Congress of Residential Architecture*
USGBC-Cincinnati's *Residential Green Building Committee*
AIA Cincinnati's *Committee on the Environment*
and *Home Builders Association* of Greater Cincinnati

collaborate to present the *2010 Green Homes Summit*

On **November 13th**, at the Cincinnati State Technical Community College, Cincinnati, OH

Keynote Speaker, Workshops, All-Day Tradeshow, & Green Homes Tour for Homeowners, Builders, Architects, Government Officials, Realtors, Lenders, and anyone related to the residential building industry.

The Conference will focus strongly on Homeowners as the true users of green homes. Conference streams will broadly fall under **"Green-It-Yourself"** for homeowner audience and **"Know-Your-Green"** for residential industry professional audience.

We are calling for 60-minute presentations that provide insight into energy efficiency, life-cycle cost, carbon footprint, green landscape, green building certifications, green loans, etc.

Abstract submissions are due by August 1st, 2010

Submission requirements:

Complete attached **presentation submission form** and by **Midnight on August 1st**.

Please do not send full presentations. All Presenters will be selected by the 2010 Green Homes Summit Steering Committee.

Presenters are responsible for their own travel and lodging.
